Red-bellied	309
Red-cockaded	315
Red-headed	307
Sapsucker	310-311
Three-toed	314
White-headed	317

The first index is a single page that can be pasted on the inside or outside of a cover. The second set of indices are "bookmarks" that can be cut into strips, and each placed on the first page of the section where it applies, with the title sticking up above the pages. The tabs wear better if covered with clear contact paper or plastic tape.
